DENIS ŠEFIK

SERBIAN-MONTENEGRIN WATER POLO PLAYER

When does the veteran athlete begin to take seriously the laudable comments concerning his years in the sport when they are described as consistent? When favorable criticism comes across repeatedly as he is reliable or pleasantly predictable? Not this guy. He has heard it all before. Denis Sefik, the experienced water polo goal keeper, knows that the mirror reflection of these evaluations warily remind his opponents of other descriptions. Formidable certainly comes to mind. Or overpowering. And Denis is certainly those. The cradle of world water polo is in Southeastern Europe. As a Serb there, Denis has played on the national teams of Serbia and Montenegro, Serbia, and now Montenegro. The three time Olympian plays professionally for VK Crvena Zvezda in Belgrade. Denis Sefik has a silver medal from Athens 2004, as well as many Gold and Silver medals from World and European competitions.
