Jovana is not just a pretty face but also a Serbian National Team member who competed at the 2016 European Championships in Belgrade in addition to another two junior European Championships. With 7 National Championships across 2 clubs, Jovana has made winning look easy and can also add the 2015 World University Games in South Korea to her sporting CV.

Zlatko was born and raised into the prestigious Red Star Belgrade Water Polo Academy, progressing through their junior ranks right up to the senior team. He represented Serbia at junior level before defecting to Macedonia for Senior representation. He has forged a successful playing career across Serbia, Macedonia, Holland and Hungary.

In addition to his popularity with the fairer sex, Aleksander has built a successful career in the water polo world. From his beginnings in Belgrade with VK Beograd he progressed to VK Vojvodina in Novi Sad, meanwhile being a fixture in the junior National Program of Serbia in numerous World and European Championships. He now plays in the world’s top league in Hungary where he plays for the legendary Vasas team.

Former Russian National Champion Swimmer Zhilin has competed at a number of World and European Championships and was a finalist at the World University Games in 2013 in Kazan.

Born in Kazan, the daughter of a famous Russian soccer player Valery Martynov, Yana has continued the strong sporting genes in her family. A veteran of 3 Olympic Games and numerous World and European Championships, Yana’s career highlight to date is the silver medal in the 400m medley in the 2007 Melbourne World Championships and a gold at the World University Games in 2013 in Kazan.
